ALL PROCEEDS GO TO LEUKEMIA RESEARCH AT CHILDREN'S HOSPITAL OF WISCONSIN AND
THE JOEY O'BRIEN COURAGE SCHOLARSHIP PROGRAM FOR LOCAL HIGH SCHOOLS

How Serious is Blood Cancer? On June 15, 2005, Joey was diagnosed with Acute Promyelocytic Leukemia, 2 days later it took his life. Every five minutes, someone in the United States learns that he or she has leukemia, Hodgkin, or non-Hodgkin lymphoma or myeloma. Every nine minutes, someone dies of a blood cancer.
